## GERMANS EXTENDING SIEGFRIED LINE ALONG THE BELGIAN AND DUTCH FRONTIERS

### HIGHWAY LINKING KUNMING & LUCHOW

CHUNGKING, Nov. 10 (Reuter)—It is announced that a new highway linking Hekling, Kunming and Luchow, in south Szechuen via Suanwei, Weining, Suiyung and Cich'ch, will be opened to traffic early next month.

The highway is slightly over 300 miles, taking four-and-a-half days to complete a trip. The Ministry of Communications is sending 500 buses for passenger service.

The highway was completed some months ago but landslides during the rainy season necessitated repairs. Five large bridges are not yet completed and at present buses and motor cars are being ferried across the rivers.

### Allies Still Aid China

NEW YORK, Nov. 10 (Reuter)—Dr. Hu Shih, Chinese Ambassador to Washington, declared in a speech that despite the European war Britain and France "are still helping China."

He said that Russia is actively giving support with credits and munitions and Anglo-French assistance came "through the back door"—Burma and Indo-China.

#### SOVIET CREDIT REPORT

LONDON, Nov. 10 (Reuter)—The Financial News reliably reported today that Russia and China reached an agreement some days ago for a loan to China of \$50,000,000 for the purchase of war materials. The Chinese Government in return would undertake to earmark for Russian requirement a large part of her output of tungsten, manganese and antimony.

Dr. Sun Fo, President of the Legislative Yuan, interviewed by Reuter, said that the Financial News report was not accurate. He stated that there had been from time to time transactions with the Soviet for credits and war materials against Chinese products of various kinds, but he was not at liberty to disclose the amounts.

## EURASIA TO SUSPEND SERVICE

It is understood that, due to difficulties in oil supply at their various stations, the Eurasia Aviation Corporation will be forced to suspend their air service on all lines in the near future.

The Corporation, it is reported, are unable to get regular oil supply at Kweilin, Chungking and Chengtu.

Negotiations are under way, however, for the National Government and oil companies to assure an adequate supply to the Corporation, according to Central News.

#### SHORTAGE OF SUPPLIES

The Eurasia organisation has been supplied with petrol for the past nine years by the Asiatic Petroleum Company, with which firm they have a standing contract.

It is learned that the latter concern has advised that it will no longer be able to deliver needed petrol at Kweilin and Chungking owing to shortage of supplies from abroad.

The body of Fred Otto Hoyer, 55-year-old American, was found dead in a house in Woosung Street yesterday. Deceased was the chief cook of an American owned vessel.

## Army And Police Leave Cancelled In Netherlands

COPENHAGEN, NOV. 10 (REUTER'S SPECIAL WAR SERVICE)—ACCORDING TO THE BERLINGSKE TIDENDE THE GERMANS ARE BUSY EXTENDING THE SIEGFRIED LINE ALONG THE BELGIAN-DUTCH FRONTIERS.

From Paris, Reuter reports that Allied scouting planes have brought news that troops on the Siegfried Line have been considerably reinforced, according to M. Charles Morice writing in Petit Parisien.

THE EUROPEAN EDITION of the New York Herald-Tribune reports continuous troop movements behind the German lines throughout yesterday.

The paper adds that additional units, which have seen action in Poland, are reported to have been brought to the Siegfried fortresses.

German planes continue to fly over Belgian territory and twice yesterday morning reports were received of German machines crossing the frontier, says Reuter from Brussels.

The Belgian Air Force stood by on the border between Holland and Belgium while blockhouses are fully manned and bridges mined.

In addition to mechanised troops the Germans are concentrating cavalry along the German-Belgian frontier.

LORRIES REQUISITIONED—The Netherlands Government, in addition to stopping all leave in the Army, today requisitioned lorries for the transportation of troops.

Police leave has been stopped while 50,000 troops are back in the barracks as the result of the cancellation of Army leave.

In The Hague 50 air raid shelters are ready for an emergency. Many farms have been cleared of the inhabitants and cattle in order that the districts can be inundated when necessary.

## ANNIVERSARY OF DEATH OF KEMAL ATATURK

ANKARA, Nov. 10 (Reuter)—Turkey is celebrating the first anniversary of the death of Kemal Ataturk, former President of Turkey.

At 8.05 a.m., the exact time when Kemal Ataturk died, five minutes of silence will be observed. All restaurants, theatres and other places of entertainment will be closed for the day.

## ANGLO-ITALIAN AGREEMENT

LONDON, Nov. 10 (Reuter)—The Government White Paper on the agreement between Britain and Italy to facilitate economic collaboration was published today, and says the agreement enters into force as a provisional measure from the date of signature.

## AMERICAN DEFENCES IN PACIFIC INCREASED

CHUNGKING, Nov. 10 (Reuter)—The Chinese press is featuring the reported American concentration of the Army, Navy and Air Force in the Pacific, interpreting it as pressure on Japan in the forthcoming Tokyo negotiations.

It is declared that if the negotiations fail to produce a satisfactory result the "United States will take further steps to check the Japanese probably by means of an economic blockade."

#### ECONOMIC SANCTIONS

The press is giving prominence to the report that next January the United States administration may ask Congress to empower the President to enforce economic sanctions against Japan.

The reports of the strengthening of American defences in the Pacific, therefore, is attracting the keenest interest in Chinese circles, who confidently believe that the United States is destined to play a leading role in the future of the Pacific.

## CHINESE OFFICERS RELEASED

SHANGHAI, Nov. 10 (Reuter)—Two Chinese officers of the Panamanian steamer, Bolivar, who were arrested at Pootung on Oct. 28, have been released according to a Japanese Embassy spokesman. He added, "There are considerably involved questions regarding ownership of the vessel and the matter is being investigated."

The Bolivar is at present detained by the Japanese authorities at the M. B. K. Wharf.

## Passenger Relates How Dardanus Was Shot Down By The Japanese: Bullets Across - Inside Of Cabin: Plane Detained On Weichow Island

The three passengers on board the Imperial Airways' R.M.A. Dardanus, which was shot down by three Japanese military planes over Weichow Island while en route to Bangkok on Wednesday morning, returned to Hongkong last night by the U.S.S. Mindanao from Canton where they had been taken by the Japanese authorities. They were Mr. O. Cuevas, executive of Intercontinental Corporation and a resident of Hongkong, Mr. Victor Levy and Mr. S. Hertzberg.

The Imperial Airways' crew, comprising Captain J. N. Wilson and First Officer J. F. Raeburn, were also taken to Canton in a Japanese DC-3 aircraft. They are being detained by the authorities in that city.

The R.M.A. Dardanus is still on Weichow Island. Meanwhile local government officials and Commander A. D. S. Murray, Imperial Airways' Far Eastern Manager have entered into negotiations for the release of the aircraft.

The 189 kilos of Royal mail, which was on the plane, is reported to be at Japanese Military headquarters in Canton and is expected to be despatched to the Hongkong Postal authorities shortly.

According to a statement released yesterday by Mr. T. Oda, Japanese Consul-General at Hongkong, a notification by the Japanese Consul-General at Canton was issued in February this year, notifying all third Power aircraft about Weichow Island, and requesting them to keep at a distance of at least 15 miles from the island and to fly at an altitude not exceeding 500 metres. Other Japanese reports, during the past 48 hours, attribute

## FLYING AT PROSCRIBED ALTITUDE

SHANGHAI, Nov. 10 (Reuter)—The Japanese Naval spokesman at a press conference this afternoon declared that it was evident that the Dardanus was flying over a proscribed area at a proscribed altitude when it was forced down by a Japanese naval plane.

It was stated that the Japanese Naval authorities, through the Japanese Consul-General at Canton, told the authorities of third Powers in February that flying was not permitted within a 15-mile radius of Weichow Island and that if a plane is flying over the area it must maintain an altitude of 500 metres.

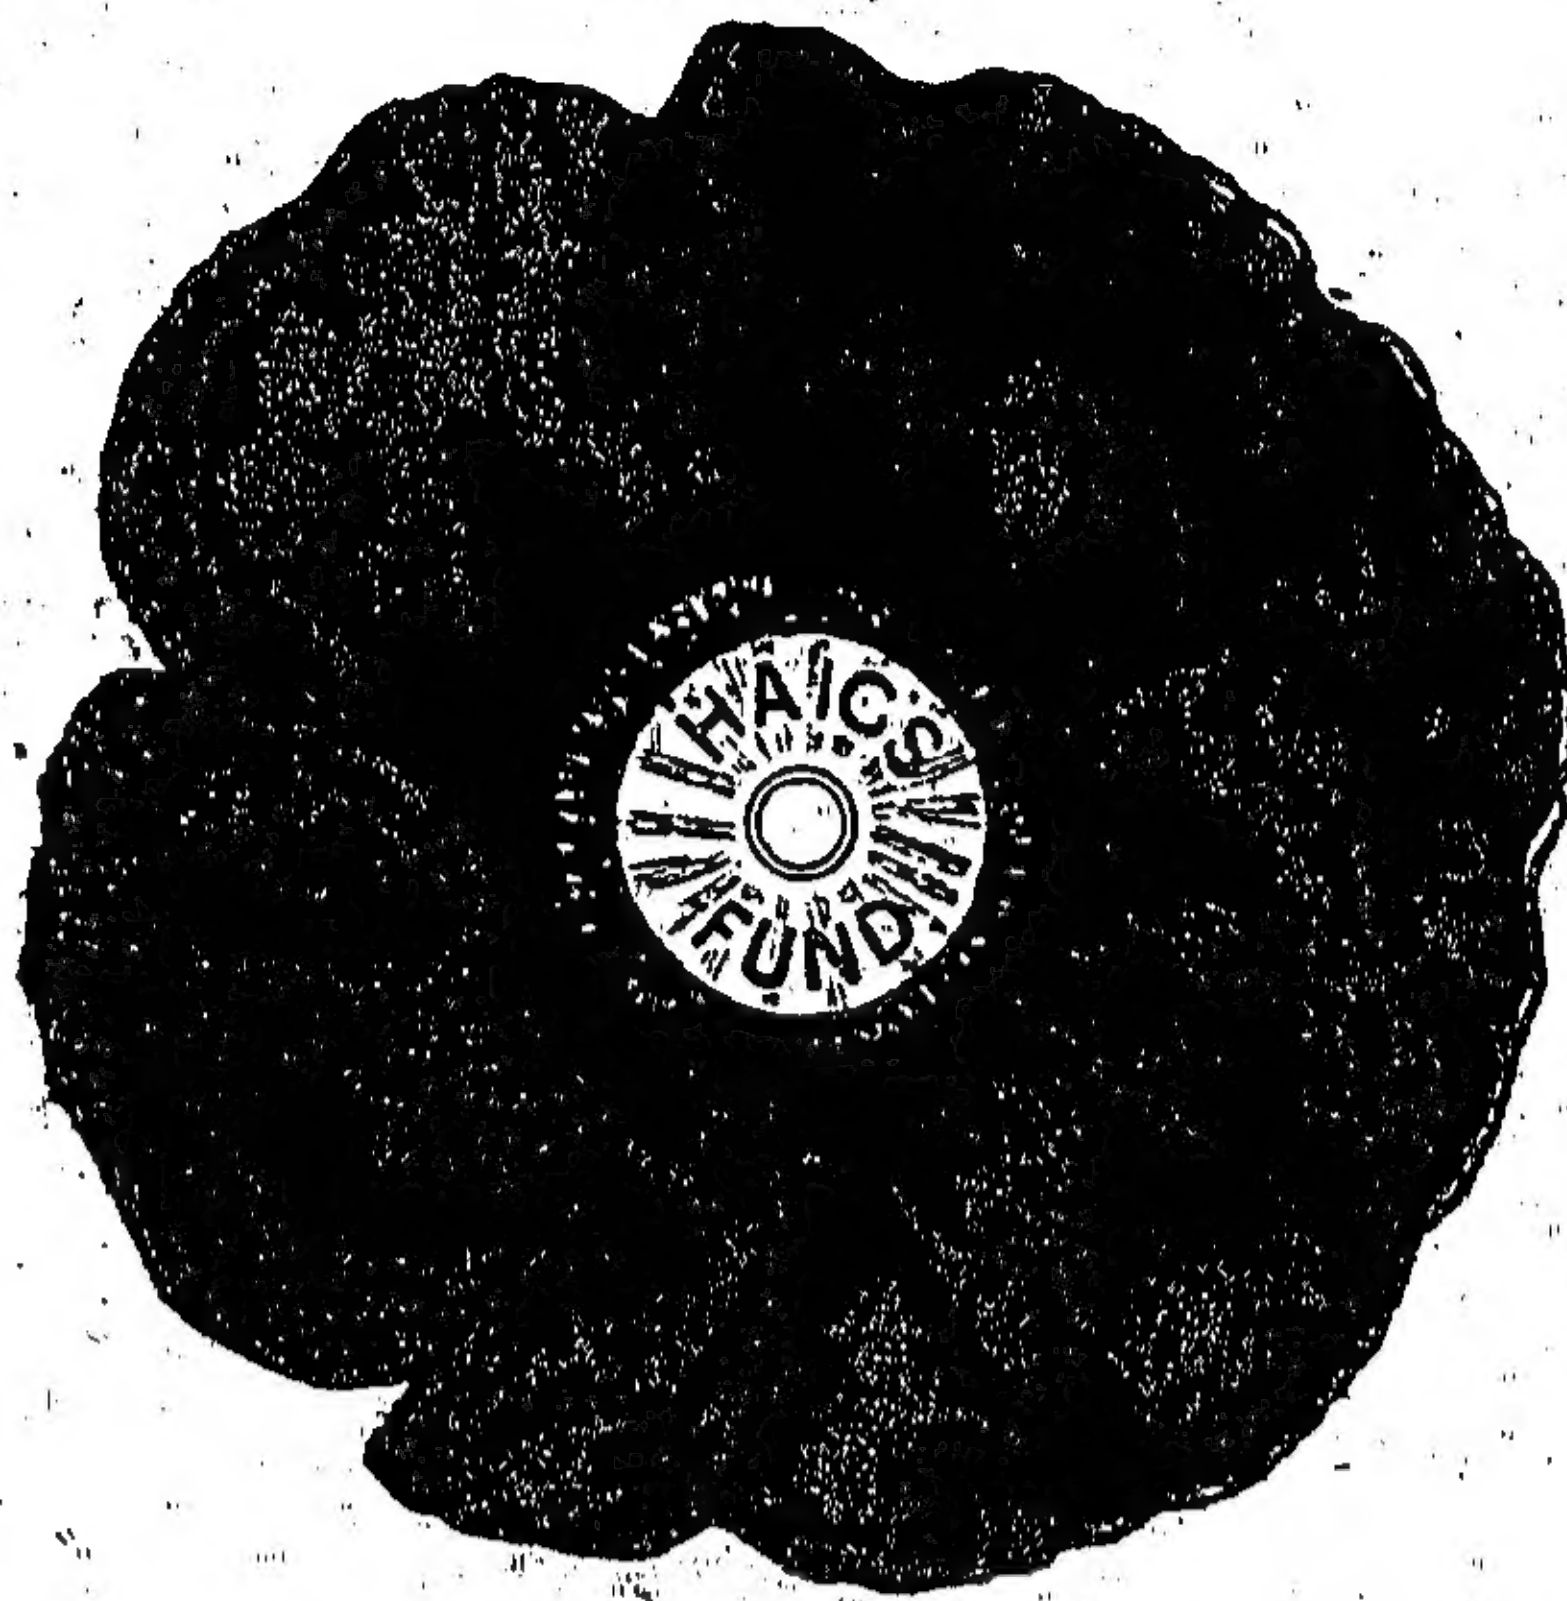

"On Nov. 8 at 9.35 a.m. a plane appeared five miles south of Weichow Island flying at an altitude of 1,200 metres. A Japanese naval plane watched it and, from the course it was following, the British plane appeared intent upon reconnoitring over Weichow Island.

"When forced down the plane had a punctured left tyre," said the spokesman. The spokesman stated that the Dardanus would be released as soon as the damage has been repaired.

## IMPORTANT CHANGES IN GESTAPO IMMINENT: HITLER SUPERVISING BOMB INVESTIGATIONS

LONDON, Nov. 10 (Reuter)—The German News Agency declares that important clues have been discovered in connection with the Munich bomb outrage.

It said that the plot had been carefully prepared and the time-bomb was nothing primitive but showed expert workmanship.

A message from Copenhagen states that Herr Hitler returned to Munich today and is personally supervising investigations.

Important changes in the Gestapo are believed to be imminent. The Nazis are holding large demonstrations throughout the country under the slogan "God protects the Fuehrer."

Herr Hess, who was reported to be among the casualties in the beer cellar explosion, stated that he laid a wreath yesterday on the memorial commemorating the six National Socialists who were killed in the Putsch in 1923 and later attended the War Council at the Chancellery in Berlin.

## EGG PROBLEM SETTLEMENT "NOT HATCHED"

SHANGHAI, Nov. 10 (Reuter)—With regard to the so-called egg problem in Shanghai there have been discussions between interested parties and an amicable settlement is expected.

Pressed for details of the discussion, a Japanese spokesman humorously remarked, "The details have not been hatched yet."

## CANADIAN PRIEST KILLED

SHANGHAI, Nov. 10 (Reuter)—The Rev. Brother Edgar Gauvin, one of the two Canadian Jesuit missionaries shot and wounded by Japanese sentries at Yaolou, near Hsuehchow on Oct. 28, is alleged to have succumbed to his wounds, according to the Shanghai Evening Post quoting a report received from Kiangsu.

## No Peace Talks In Chungking

### BRITISH ENVOY DENIES RUMOUR

The following official statement was issued yesterday, on the occasion of the arrival of H.M. Ambassador, Sir Archibald Clark-Kerr by plane from Chungking.

His Majesty's Ambassador is going to Shanghai after a routine visit of some five weeks at Chungking to the Central Government of China to which he is accredited.

It was been repeatedly stated in the Press that he has been discussing with the Chinese Government peace terms designed to put an end to the present hostilities with Japan. This statement has no foundation in fact. The discussions which took place between the Ambassador and the Chinese Government at no time touched upon peace terms.

## RENEWED FIGHTING IN HUPEH & HONAN: CHINESE RAIDS PROVE SUCCESSFUL

SHASI, Nov. 10 (Central)—Japanese troops active around Pingchingwan on the Honan-Hupeh border were attacked yesterday, suffering over 100 casualties.

Chinese troops, which crossed the Han River, in Hupeh, are making progress. Kaohiatzi and Weichiatzi, on the east bank, have been recaptured.

Last Sunday the Japanese at Lohansu on the Hankow-Ichang highway attacked the Chinese. Over 400 shells were fired to cover infantry advance. Failing to break through the Chinese lines, they retreated.

#### SITUATION IN SHANSI

HINGTSE, SHENSI, Nov. 10 (Central)—Reinforced by over 2,000 men, Japanese forces at Shingling, in West Shansi, have renewed their westward drive in two columns. Fighting is reported to be raging at Shihkiu and Yopo and other points.

In South-East Shansi, Chinese units have staged several raids near Hukwan, inflicting losses on the Japanese.

A Japanese detachment pushing towards Wusang from Tsinhsien, has been put to rout following severe combats. Another Japanese contingent advancing southwards from Liaohsien has been repulsed.

CRICKET NOTES

# ALL-DAY GAME ON THE CHATER ROAD GROUND

## Club And Civil Service Match Should Finish Closely

By "E. U. Ropes"

In spite of the fact that many regular cricketers are away with the Volunteers at Camp, a full programme of matches has been arranged for today including an all-day game on the Chater Road ground between the Cricket Club and Civil Service.

This match ought to be very interesting as both teams will be pretty well at full strength. Alec Pearce will be leading the Club and it is interesting to note that amongst those who will be playing for him is T. E. Pearce, hero of many a battle on this ground.

J. H. Fox will be playing too, and as he is about the best wicket-keeper in the Colony today this ought to stiffen the Club attack considerably for one cannot take any liberties with Fox behind the sticks.

The Civil Service, as far as I can ascertain, will have all their regular players in action. Fortesque will be keeping and this ought to give Colledge, their regular stumper, a chance with the ball—and "Bill" can send down a good run when he is in form.

### CRAIGENGOWER AND INDIANS

At Happy Valley Craigenower Cricket Club will be opposed to the Indians and a good game should be seen. I rather fancy the chances of the home team as the I.R.C. will not be at full strength. After this Saturday, however, A. R. Minu and A. M. Rumjahn will be returning to the team as Ramadan (the month during which Muslims observe fast) will be over by Monday or Tuesday.

I happened to be at Sookunpoo on Thursday and saw A. H. Madar at the nets. I was rather surprised

for Madar was actually jumping out and hitting 'em! The Madar at the net is very different to the one we see out in the middle and if only he will play the same care-free type of cricket always I feel sure his team will benefit very considerably.

### AT KING'S PARK

On the K.C.C. ground, where the home team will be matched against the Army, some tall scoring should be seen. Kowloon will probably have one or two of their second eleven playing for them but the Army will be at full strength.

Indian Recreation Club juniors entertain Craigenower Cricket Club and as the Indians are very weak this season the Happy Valley side should have no difficulty whatever.

Police will be at home to K.C.C. in the Second Division and here again I fancy the chances of the visiting team though the Police might upset calculations.

The only other match on the programme is that between Recreio 2nd XI and La Salle College. The club will probably prove too good for the school boys.

## Wahoos - Wildcats Melees Should Be Best Match

(By "R.O.Y.")

With many softballers at Volunteer Camp, only three Men's League matches will be played tomorrow, but four games in the opening round of the Ladies' competition will swell the day's programme.

The Men's fixtures on the C. B. A. ground will prove to be of little interest as the International Athletic Club and Hongkong Baseballers are expected to have things all their own way against the Machine Gunners and Filipino Club respectively.

At 3 p.m., the powerful Ball team, and having defeated the Club gang tangle with the Min-danao, and although the Ball Clubbers should win without much difficulty, some excellent play should be witnessed as the sailor boys are renowned for their fighting qualities and have quite a good team when they are at full strength.

### CHOICEST MATCH

The choicest match of the day should be the Wahoos-Wildcats melees at Prince Edward Road. These teams battled it out for last year's championship with the Wildcats taking the honours, judging from the results of their friendly games, the reigning champions are going to have a torrid time this season, and it is extremely doubtful if they will be able to retain their title, in face of the great improvement shown by the Wahoos Canadian Chinese and the Ball Club ladies.

The last named squad make their debut at 10.30 a.m., on the Recreio ground against the home

### AUSPICIOUS START

The hard-hitting Pirates clash with the reorganized Cardinal outfit, and should start off the season auspiciously.

The Redbirds have acquired the services of the former Filipino stars, Natty Fa'adona, Linda Fernandez and Badda, but the only player of any experience is Marie Roza. Mrs. Maudie Read has been busy polishing up her hurling and, with V. Tkachenko behind the plate, should have little difficulty in holding the Cardinals to a low score.

The Canadian Chinese should have an easy outing against the Baby Panthers who are apt to

## "DARK RAPTURE" AT MAJESTIC TOMORROW

Lifting the brooding cloak of mystery which concealed, since the beginning of time, the secrets of the most inaccessible and unexplored regions of the deep Belgian Congo, "Dark Rapture," the 20th Century-Fox release which opens at the Majestic Theatre tomorrow, brings to the startled screen an intimate and breath-taking account of the life, loves, dangers and ecstatic rituals of jungle denizens never before witnessed by Occidental eyes. It is an experience of sheer excitement such as one rarely gets in a theatre.

## A SERVICE OF REMEMBRANCE

A Service of Remembrance will be held in St. John's Cathedral tomorrow from 10:40 a.m. - 11:15 a.m. H. Walford Davies' "Short Requiem" will be sung by the Hong-kong Singers.

The two minutes silence will be observed.

The picture, which the daring Armand Denis-Lella Roosevelt expedition risked life and limb to get, is without doubt the most authentic and arresting record ever to come out of the Dark Continent.

### NEW ROMANTIC DRAMA AT KING'S TODAY

Lightning action, thrilling romance and exciting adventure are in store for moviegoers when they witness Edward Small's new romantic drama, "The Man in the Iron Mask," which opens today at the King's Theatre.

The new film production stars Louis Hayward and Joan Bennett as a new romantic duo, and features such top-notch supporting players as Warren William, Alan Hale, Joseph Schildkraut, Miles Mander, Walter Kingsford, Marian Martin, Montagu Love and Bert Roach.

Louis Hayward, who made a hit in "The Duke of West Point," returns to the screen in a dual role, appearing as the arrogant and over-bearing King Louis XIV of France and his gay, light-hearted twin brother, Philippe. Joan Bennett, looking more beautiful and arresting than ever in her brunette tresses, plays the part of the pliant and quick tempered Maria Theresa of Spain, betrothed to Louis to cement the two countries and maintain the balance of power in Europe.

Richard Dix and Gail Patrick are teamed again in Reno. John Farrow directs.

Errol (Dawn Patrol) Flynn, who was recently given leave from Warner's, is due to make The Sea Hawk.

## How To Stop Stomach Pain

In Five Minutes

By Dr. Scott, M.D., Paris.

If you want an astonishing demonstration of how quickly and completely acute indigestion can be stopped, just take a level teaspoonful of "Bisurated" Magnesia in water—four tablets are equally effective. I have found that the moment "Bisurated" Magnesia reaches the stomach you feel the pain abate; flatulence is relieved, heartburn and sourness pass off, the feelings of weight and oppression are lifted, and in five minutes the pain has disappeared. You can get "Bisurated" Magnesia from all Chemists and Stores. I advise you to get some and try it after your next meal.

## Contraband Control

INCONVENIENCE TO NEUTRALS REDUCED

LONDON, Nov. 10 (Reuter).—In connection with the British contraband Control's desire to minimise inconvenience to neutrals, semi-official circles here point out that of 200 ships detained last week, only four complete cargoes were seized, while 192 complete cargoes were allowed to go forward.

Several neutral ships were allowed to go forward on condition that items in their cargo deemed to be contraband would be returned to England at the first opportunity. Last week's total seizures amounted to 400 tons and since the beginning of the war included 11,500 tons of cereals from German ships.

Dr. S. To Wong, Honorary Eye Surgeon, at the Tung Wah Hospital, is returning to Hongkong shortly after a visit to the Mayo Institute.

## DETAILS OF NAZI PLOT IN S.A.

INCONTROVERTIBLE EVIDENCE

LONDON, Nov. 10 (BWS).—An authoritative statement broadcast in South Africa last night says that the Union Government has in its possession incontrovertible evidence of the details of the Nazi plot which was frustrated by measures taken by the Government at the outbreak of war.

The statement was issued in reply to a Zeitsung broadcast of the night before denying that such a plot existed and says there are in the possession of the Union Government authentic lists of the members of each of the Nazi organisations in the principal cities of the Union.

**CONTACTS KNOWN**  
Contacts between these organisations and the Black Shirt pro-Nazi movement in South Africa, who have associated themselves with the Nazi movement are known to the Government.

The statement says further that the connection between the Nazi organisations and the members of the Embassy Staff of the German Minister Plenipotentiary has been conclusively proved and that plans to arm and mobilise the Black Shirt troops and to sabotage vital points in South African industrial organisations were also revealed.

## Failure Of Nazi U-Boat Campaign

MORE EVIDENCE OF BRITAIN'S STRANGLEHOLD

LONDON, Nov. 10 (Reuter).—Persistent German allegations of their domination in the North Sea fail to explain why

(1) the City of Flint was obliged to hug Norwegian territorial waters;

(2) the German Fishing Fleet has been entirely deprived of 300,000 tons of North Sea catch, while British fish supplies are plentiful owing to continued operations by the North Sea Fleet.

### Clear Evidence

The net gain last month of 65,000 tons of shipping and 1,000,000 tons of goods mentioned by Mr. Winston Churchill is clear evidence of the failure of the U-Boat campaign.

Secret anxiety about the British control of essential war supplies is constantly shown by German broadcast items designed to prove that the control is ineffective.

But evidence of the British stranglehold is shown by statements admitting a shortage of iron and the import of soy beans and soya-oil by the long and costly Siberian route and even parcel post.

## Miraculous Escape

Beer Cellar Bombing

HITLER BEGAN HIS SPEECH EARLIER

BERLIN, Nov. 10 (Reuter).—Herr Hitler's escape is described as miraculous in Nazi circles, as it is pointed out that all through the previous years the Fuehrer started his speech about 8.30 p.m. and finished about 11 p.m., whereas, this time, his speech was begun earlier and lasted only one hour. Previous speeches lasted an hour and a half. It is emphasised that no leading members of the National Socialist Party were injured.

**HALL IN RUINS**  
The hall is now a great heap of ruins, with shattered pillars. The ornate ceiling rests on debris, ten feet high.

A number of women were among the injured and a statement that Herr Hess was among the leading members of the Nazi Party in Munich who gave orders for rescue work following the explosion is made.

A further announcement about the affair is issued by the Official German News Agency. This appears to dispose of the reports current in Paris earlier that Herr Hess was among the victims.

**ITALY INDIGNANT**  
ROME, Nov. 10 (Reuter).—The newspapers here express the Italian public's indignation at the attempt on Herr Hitler and voice satisfaction that he was fortunate enough to leave before the explosion occurred.

The King and Signor Mussolini sent telegrams to Herr Hitler congratulating him on his escape, while the Italian Ambassador in Berlin sent a message of condolence to Herr von Ribbentrop.

According to the latest news from Berlin, the death toll is now nine.

**AMSTERDAM, Nov. 10 (Reuter).**—Queen Wilhelmina telegraphed to Herr Hitler, congratulating him on his escape.

## REICHSTAG FIRE CATEGORY?

WASHINGTON, Nov. 10 (Reuter).—Mr. Cordell Hull told a press conference that he was waiting for official diplomatic reports on the Munich bombing before deciding whether to congratulate Herr Hitler.

It is stated that officials here wish to be certain that the attempt was really made as described and does not belong to the same category as the Reichstag Fire. They wish to ascertain whether the explosion was an act of war or accidental, before expressing official opinions. Nevertheless, if the moral issue is set aside American opinion, both official and unofficial, seems to be that there are cracks in the German facade as presented to the world.

## A REIGN OF TERROR IS AWAITED

NAZI REVENGE FOR ATTEMPT ON HITLER'S LIFE

AMSTERDAM, Nov. 10 (Reuter).—With the German press screaming fury and defiance at Great Britain, the German Police yesterday failed to produce a shred of evidence in support of their claim that the attempt on the life of Herr Hitler was organised by the British Secret Service.

The German people, according to the latest reports from Berlin, are taking the matter very seriously and wondering on whom revenge is to fall. Possible victims include Jews and British subjects interned as political prisoners, the whole British nation or possibly even a section of the Nazi Party.

At any rate, a reign of terror is awaited and it is clear from the hints dropped that Germany's enemies at home are to be the first to suffer.

According to Dutch correspondents, the infernal machine was placed somewhere in the roof immediately above the tribune from which Herr Hitler spoke and, while Herr Hitler was hurrying defiance at Britain the bomb was ticking away above his head.

## BRITISH MINISTER AT PARIS

The new British Ambassador in Paris, Sir Ronald Campbell, has just taken up his duties there.

## GAMBLING CONCESSIONS PROFITABLE IN MACAO

Evidence that gambling concessions are profitable business in Macao is shown in the increased royalties offered for the franchise to operate fan-tan in the Portuguese Colony.

The franchise, at present held by Mr. Fu Tak Lam in the name of the Tai Hing Company, was renewed this week for a further period of three years at an annual royalty of \$1,900,000, compared with \$1,820,000 as paid at present.

The same party also recently obtained the right to operate popu lotteries in Macao.

Tenders for both franchises were many, and included many received from well-known Hongkong business men.

## 100,186 STREET SLEEPERS ACCOMMODATED

### Annual Report Of Shelter Society

The sixth annual general meeting of the Street Sleepers' Shelter Society will be held at the St. John's Cathedral Hall on Tuesday, November 11, at 5.30 p.m. All interested in the work are cordially invited to be present.

The annual report for the period July 1, 1938, to June 30, 1939, states, in part:—

**STATISTICS.**—The St. Peter's Shelter was open from December 2, 1938 to May 31, 1939. The total number accommodated for the period was 23,506.

The Old Baley Shelter accommodated 20,555.

The Yau-mat Shelter accommodated 25,125.

**WOMEN STREET SLEEPERS.**—In former years women and children as well as men were admitted into the Yau-mat Shelter.

The Government this year desired that the shelter should be for men only, but owing to the very abnormal conditions existing in the Colony, caused by the large influx of refugees and to the Government's order that the Kowloon streets were to be cleared of street sleepers and hut dwellers, women and children were driven by force of circumstances to seek refuge in the shelter, and out of sheer humanity we took them in—many of them could only be accommodated under the outside verandahs. The numbers registered were 7291 women and 4523 children.

In March, however, owing to the Government insisting that the shelter was for men only, we had most reluctantly to close our doors to women and children.

## HEALTHY FINANCIAL POSITION

### NORTHUMBERLAND & DURHAM ASSN.

A very satisfactory financial position of the Northumberland and Durham Association of Hongkong is revealed in the report and statements of accounts for the last year which were tabled at the Association's first annual general meeting yesterday at the South China Morning Post Board Room. The Very Rev. J. L. Wilson was in the chair. He was assisted by Mr. W. Mulcahy, Hon. Secretary and Treasurer.

The report and accounts as submitted by the Committee having been adopted, the following officers were elected for the ensuing year:—President, Right Rev. R. O. Hall, Bishop of Hongkong (re-elected); Vice-President, Hon. Mr. N. L. Smith, Colonial Secretary (re-elected); Chairman, Prof. W. Fuld; Hon. Secretary, Mr. E. L. Starling; Hon. Treasurer, Mr. A. Pollard; Committee, Messrs. W. Greig, J. Fraser, W. Patterson and W. Mulcahy.

It was decided to hold a dinner at the Peninsula Hotel, Kowloon, to which each member will be entitled to bring two guests, but this will not apply to wives of members, who are also members of the Association.

Friday, Jan. 12 was provisionally fixed as the date for the dinner. Dean Wilson informed the meeting that in the course of a series of broadcasts from ZBW on the Beauty of England, he will take on Northumberland on Dec. 15.

### ANNUAL REPORT

The following is an extract from the annual report:—There are at present 82 paying Members, including 5 Service Members; and in addition there are 49 non-paying Lady Members (whose husbands are also Members) making a total of 131.

The Committee records with great regret the death of Mrs. E. Hodge.

The statement of accounts shows an excess of income over expenditure of \$385.50 for the year, the incident expenses of the Association having been to some extent offset by small profits on the various social functions. The Committee wishes to express its gratitude to Mr. A. Pollard for undertaking the audit of the accounts.

The Government still recognises the Polish Ambassador in Tokyo, a Japanese Foreign Office spokesman told the press conference yesterday, says Reuter.

## Why an Elizabeth Arden Powder Foundation?

... because all Miss Arden's foundation preparations are non-drying, non-smudging. They leave just the right amount of delicate film on the skin necessary to hold the powder smooth. They blend beautifully with cream rouge, and, above all, they do not give the skin that unpleasant sticky feeling.

### THREE ELIZABETH ARDEN POWDER FOUNDATIONS

AMORETTA CREAM ... For normal skins

ULTRA-AMORETTA CREAM ... For dry skins

LILLE DE FRANCE ... A cream and liquid combined, for both difficult and very sensitive skins.

For a perfect Make-up, always begin with an Arden Powder Foundation.

## ARMISTICE DAY, 1939

(Contributed)

THE WORLD was told in September last year that there was to be peace in our time and that England and Germany were never to go to war against one another again. Armistice Day, 1938, was observed in an atmosphere similar to that in 1937 the difference being that the Spanish war had ceased but the war in China was raging.

TODAY, ARMISTICE DAY, 1939, is not to be observed. Heavy guns are again pounding on the Western Front. Today finds Britain and France in the third month of their war against Germany. Let no one have any doubts as to what Great Britain and France intend to do in this war. We intend to fight until Hitlerism is smashed, and all people in the world, the Germans included, are free to work out their own destinies unalarmed by any threat of invasion.

EVERYBODY IS FULLY aware that every ounce of strength is being used in the prosecution of this war and the assistance already given and being offered by the Dominions and the Colonies to the Mother Country is a source of great satisfaction to His Majesty the King and the leaders of the British Government and cause for much pride in the heart of every individual enjoying the protection of the British flag.

THERE IS AN UNBREAKABLE bond uniting the British Empire and also the great Republic of France in this solemn cause the right and justice of which must, and will, prevail.

WHILE EUROPE IS thus once again in the throes of another big conflict we can still remember, on this day, all those who gave up their lives for their King and Country in the last Great War—a war that was to end all wars. Although there will be no Armistice Day observance, tomorrow has been set aside as Remembrance Sunday. Let us, therefore, remember before God those millions of brave souls who made the supreme sacrifice in 1914-18 and pray for His guidance in the dark days that lie ahead. Let us look to the future with renewed confidence and increased effort and dedicate ourselves afresh to the three-fold cause of freedom, justice and peace.

AND MAY WE ENSURE that this Country leaves no stone unturned in its efforts to help—much admirable assistance has already been rendered—in the successful realisation of the solemn cause for which Great Britain and France have taken up arms.

FINALLY LET US remember the truth enunciated by one of America's presidents: "You cannot make peace with documents. Peace must be made in the hearts of men."

### A BOY'S PRAYER FOR HITLER

The following prayer by a Church of England Boys' Society boy was quoted at the Anglican Synod recently by the Rev. J. A. Schofield:—

"Oh Lord, convert Hitler, or if that be a task too great for Thee, draw him quickly to Thyself."

## CORRESPONDENCE

### INCOME TAX DISCUSSION

To The Editor, Hongkong Daily Press

Sir—In the course of the Income Tax debate at the Legislative Council meeting on Thursday, the Governor was good enough to declare that "there is no question of calling up the official majority to support a measure, which would extract a gift to the Imperial Government." This declaration makes it abundantly clear that the revenue expected to be raised from Income Tax will be used as a gift to the Imperial Government, presumably for the duration of the war.

Whether such a provision has been, or will be, embodied in the draft Bill now under consideration of the Special Committee is not yet known to the man in the street.

Assuming that revenue from Income Tax will also be applied, in part, to meet the general expenditure of the Colony, a fine point arises. The question which I would like to raise is one having to do with the personal emoluments and pensions of Government employees directly provided for out of revenue raised by virtue of the authority of the Appropriation Bill each year.

One of the Standing Orders of the Legislative Council (Clause 24 (7)) provides specifically that "a member shall not vote on any subject in which he has a direct personal pecuniary interest." In deciding whether a motion for the disallowance of a member's vote shall be proposed from the chair, the President, or, in any committee, the Chairman, shall have regard to the character of the question upon which the division was taken and to the consideration whether the interest therein of the member whose vote is challenged is direct and pecuniary and not an interest in common with the rest of His Majesty's subjects and whether his vote was given on a matter of State policy.

The question herein raised calls for advice from the Law Officers of the Crown and for exercise of some searching in the minds of the legal luminaries among the unofficial members of the Council.

Might not the Colony hope for another act of grace from His Excellency, following the declaration he made at Thursday's meeting, to declare further the disallowance of the official members' votes on the ground of their personal interest which may be directly affected by reason of the revenue raised under the Income Tax Bill forming part and parcel of the money for the Colony's expenditure under the powers of the Appropriation Bill?

There is real danger that once Income Tax is raised, its appropriation for general expenditure might be perpetuated.

### TRAM MOTORMAN FINED \$10

Chiu Lok-ting, tram motorman, was fined \$10 by Mr. R. A. D. Forrest at the Central Court yesterday for driving a tramcar in a dangerous manner in Connaught Road Central on October 24.

While turning a right hand bend, he was stated to have failed to stop to permit a motor car, driven by Revenue Officer Darby, to pass and as a result the motor vehicle had to pull up abruptly to avoid an accident. The tram's speed was 20 miles per hour.

One of the prettiest weddings of the winter season took place in St. John's Cathedral yesterday afternoon when Miss Joan Edith Rickwood and Mr. Edward Warren de la Mare were joined in marriage by the Very Rev. J. L. Wilson.

Miss Rickwood, daughter of Mr. W. E. Rickwood, Manager of Cable & Wireless, and Mrs. Rickwood, of 370 The Peak, was escorted to the altar by her father.

A lovely design of pearls finished the bride's train, these same pearls having been worn by her mother at her wedding. The long silk tulle bridal veil was caught to Miss Rickwood's head by a halo of orange blossoms, tiny arm lilies and heather.

The bouquet was composed of cosmos, tuber-roses and heather. The bride costume and those of the bridesmaids were created by Iris Ainslie.

#### DAINTY NECKLACES

The frocks of Miss Manning and Miss Rickwood, bridesmaids, were copies in leaf patterned pink tulle and trimmed with lover's knots of frilled tulle in pastel shades of mauve with silver leaves, cosmos and rosebud. Dainty pearl necklaces adorned each girl's throat, they were gifts from the bridegroom.

A reception was subsequently held at the Hongkong Club Annex where after the happy couple departed for Repulse Bay where the honeymoon is being spent.

## SAINTS DEFEAT SERVICE CORPS AT HOCKEY

That St. Andrew's Club are keen on becoming again a force in local hockey was shown once more yesterday when the Saints defeated the Royal Army Service Corps in a game played at King's Park in three goals to one.

St. Andrew's started with 10 men and the game, in the first half, saw a fairly even distribution of play, the Saints' halfback, line of Tomlinson, Guest, and Stephenson turning in some good play.

Pat White played a good game for St. Andrew's at right back, while for the R.A.S.C. Stone, Morgan, and Govier were the outstanding players. The teams:

ST. ANDREW'S: R. Turpin; Pat White; J. Curry; J. Tomlinson; A. E. P. Quest; R. Stephenson; K. Sayers; Rev. J. R. Higgs; C. Wong; M. M. Davies; and R. A. Carroll. R.A.S.C.: Pte. Haider; Cpl. ## B.W.O.F. Working Parties Make Excellent Progress

The proceeds of the dance for men of the services which took place at the Peninsula Hotel on Nov. 3 realized \$258 for the Fund.

Forthcoming attractions for the same cause are performances of the musical play "No, No, Nanette," by the Hongkong Philharmonic Society on Dec. 12, 13, 14 and 15, and a children's Fancy Dress Dance on Dec. 22, at the Peninsula Hotel. Particulars of these will be announced at an early date in the papers, and by posters.

#### GOOD PROGRESS

The working parties have made good progress, and the first consignment of bandages and hospital necessities and woollen comforts for the services is being despatched to London.

The packing has been undertaken by the British American Tobacco Company, who will also supply free of charge, the tin-lined cases. This offer has been of great assistance, and is much appreciated by the Executive Committee.

The Emergency Centre has completed 2,500 bandages and slings, so is well on the way to the total which they aim to reach.

#### TREASURE BAG

An article which was much in demand in the Great War and for which requests are now being received is the Treasure Bag. This is a bag about 8in. by 12in. made of cretonne or strong cotton in bright colours, and into this treasures, such as letters, cigarettes, pipes, etc., are put when a man arrives in hospital and his name written on a label which is firmly stitched on one side.

Will anyone who has any pieces of cretonne or cotton suitable for making these bags kindly send them to the Hon. Secretary at Marina House, Queen's Road.

## How Dardanus Was Shot Down

Continued from Page 1

The story told by Mr. Cuevas, an acknowledged aviation expert, gives an account of what happened to the Dardanus and the subsequent activities during the past three days.

#### SUDDENLY ATTACKED

"The plane was flying over water in the early morning when suddenly we were attacked by three Japanese military planes," he said. "Captain Wilson kept control of the plane and dived, zig-zagged and dipped the craft trying to avoid the Japanese who were shooting at us with tracer bullets. For fifteen minutes the shooting continued, and between bursts of firing, the other two passengers and myself attempted to look out of the windows."

"Most of the time though, we were lying flat on the floor of the cabin. Bullets were passing across the inside of the cabin; there were bullets in our hats and luggage, and there were bullet holes close to where I was lying."

"I highly commend the way in which Captain Wilson manoeuvred the plane and finally brought it down safely on the landing field at Weichow Island. He did very well under such conditions."

"As to exactly how high we were, I cannot definitely state and, as to how far we were from the Island I am not quite sure, but it appeared more than fifteen miles away."

#### "GAVE US FOOD"

"When we landed on the Island, the Japanese authorities were cordial. They gave us food, cigarettes, drinks and packages of cards which we used for poker. Our baggage was inspected. We remained overnight on the island and were given quarters in the soldiers' barracks. They did everything to make us comfortable, though their hospitality was limited, it being a military post."

"About noon on Thursday we were told to make ready for our departure. The other two passengers, myself and the Imperial Airways' crew were flown to Canton in a DC-3 plane."

"The reason for this trip to Canton was caused by the Japanese commander on Weichow Island who had no authority to release the plane and passengers, and it was necessary to take the whole party to the quarters of the Commander of the South China Japanese Forces."

#### ESCORTED BY CAR

"Upon arrival in Canton," continued Mr. Cuevas, "we were escorted by motor car to the Japanese Consul-General where the passengers were interviewed after which we were allowed to call on our respective Consuls. That was good news and a happy moment. We remained for the night in Canton and proceeded to Hongkong on the U.S.S. Mindanao."

Mr. Cuevas reported having seen several bags of mail in the Canton office of the Japanese Consul-General and believed it to be the Royal mail which was carried on the Dardanus.

Though the experience is over and he is quite well he assured the Hongkong Daily Press representative that at the time of the incident it was far from being interesting, exciting or enjoyable.

Mr. Levy and Mr. Hertzberg, bound for Bagdad and Southampton, respectively, will resume their journey on the Sunday morning service of Imperial Airways. Mr. Cuevas will proceed to Rangoon in the near future and will probably travel by air.

### CHINESE EDITOR CHARGED

Mr. Koo Pok-han, Editor of the Wah Kiu Yat Po, a Chinese daily, appeared before Mr. T. J. Houston at the Central Court yesterday charged with the unlawful possession of a code in plain Chinese language and one instruction sheet for converting the code into a secret cipher.

Detective-Sergeant MacPherson applied for a formal remand of seven days which was granted. Bail was allowed at \$2,000.

### MR. SUMA TO VISIT CHINA

TOKYO, Nov. 10 (Reuter).—Mr. Suma, Chief of the Information Bureau of the Foreign Office, will visit China and "Manchoukuo" shortly, it was announced today. He is leaving Tokyo on Nov. 23 by air for Shanghai from where he will visit Tientsin, Tsingtao, Peiping and Hankow, travelling by air.

He will return to Tokyo on Nov. 26.

## Hello & Goodbye

(BY A. W. HYER)

Three travellers who have certainly been going places in the past three days returned to the Colony, the starting point of their journey, last evening. They are Messrs. A. Hertzberg, a Norwegian en route to Southampton, Victor Levy travelling to Bagdad and O. Cuevas, of Hongkong, travelling to Rangoon, the passengers on the now famous Imperial Airways' R.M.A. Dardanus.

These gentlemen found themselves on Weichow Island after a forced landing, and the next day they were taken by plane to Canton. They arrived here yesterday on the U.S.S. Mindanao. And now they are ready to commence their respective journeys all over again.

When Captain K. M. Graham put into harbour yesterday in his round-the-world freighter of the American Steamship Line he had a tale to tell of his 200 evacuating passengers from Europe crossing the Atlantic Ocean to home.

Under the United States' Government order the freighter status on this particular vessel was lifted and at the end of August American travellers embarked, leaving Europe and war clouds behind them. Everyone fetched for themselves, so to speak. Rich and poor men, adults and children, side by side, served themselves on the trip home. There were trials and tribulations mixed with humorous incidents for everyone, but all arrived safely after a journey they will never forget.

#### Imperial Airways

CAPTAIN A. B. DYKES and First Officer J. A. Samuels brought the midweek inward service of Imperial Airways to Hongkong on Thursday at 5 p.m. There was a total of 184 kilos of mail and no passengers.

There is a possibility of an extra service of Imperial Airways leaving Hongkong for Bangkok during the weekend. The Sunday inward plane, with passengers and mail, may be delayed until Monday due to complications in schedule on the Bangkok-Hongkong route.

#### Air France

THURSDAY AT 6 A.M., Air France's Ville de Hongkong took off from Kai Tak for France, via Hanoi.

Travelling to Indo-China on government business was Count R. de Sercey who has been busy lately flying to and fro on official business.

Several Chinese passengers travelled to Hanoi but their names were not divulged.

#### Pan American Airways

THE CHINA CLIPPER was off for San Francisco, via Manila, on Thursday at 8.30 a.m.

Two gentlemen who lately arrived here from India by Imperial Airways resumed their journey by air. They were Mohammed O. Kahn, a well-known banker from Kabul who is en route to New York on the Indian State Service, with his home and business duties in India, travelled to America on government business. This is the first call in the United States for both travellers.

In a great hurry to reach Boston, Mass., was Mr. Wong Shen Moy, who is accompanied by Wong Doo Hong. Both were booked on the China Clipper.

Professor M. Peyronnet and Mrs. Peyronnet, recent visitors from France, were en route to Manila where they will spend several months. This was their first Clipper trip.

Two business executives, returning to Manila after a short sojourn here, were Mr. G. W. Greene, of Payne and Co., and Mr. E. M. Stewart, connected with Nielson and Company.

#### Steamer Traffic

APPROXIMATELY FIVE hundred visitors arrived in Hongkong yesterday on the flagship of the American Steamship Line. Ladies in the latest styles descended on Hongkong and there were many reunions of old friends as a few Far Eastern executives and business people travelled by the steamer.

Mr. and Mrs. C. D. Culbertson, en route to Manila on a business and pleasure trip from New York City, stopped in town to say a few hellos and inspect the local office of Swan, Culbertson and Fritz.

Mrs. J. H. Taggart returning from a visit in the United States was welcomed home by her well-known husband, Mr. Taggart, of the Hongkong and Shanghai Hotels, Ltd. The dusty grey blue two-piece wool frock, with a short bolero jacket having a huge and

lovely jewel lapel gadget, was most becoming to this attractive resident. And the bluish-grey chapeau with the quill shooting straight up was most chic and fashionable.

From Shanghai arrived the popular Comtesse de Champeaux and her daughter, Miss B. de Champeaux. These two visitors were welcomed by many members of the French social set in Hongkong.

Back again is Mr. M. Friedman, President of China Motors Inc., in Shanghai, on another business call.

Two public health officials met each other in Hongkong yesterday, the visiting Dr. Smith, from Manila, who greeted Dr. L. L. Williams, senior surgeon of the U.S. Public Health Service in Manila and a cohort of the former doctor, Dr. Williams said to Dr. Smith, who was waiting on the pier for passport officials to finish their investigations. "Hail you've got small-pox and they won't let you on!"

Mr. and Mrs. Li Koh Wei, executive of the Fo Sung Sing Cotton Mills at Shanghai, and Mr. and Mrs. Lam Chik Suen, manager of the Lam Woo and Co. of Shanghai, were greeted by large groups of friends.

Mr. and Mrs. O. Jaafar, Government official of Johore en route to India and home, have been on a business and pleasure visit in Europe and America. After a short stop here they will continue on their voyage south.

Southbound on the American flag ship travelled Mr. J. E. Horton, R.C.A.'s handsome local manager. Business takes him to Manila.

And business in Manila called Mr. E. R. Girard, of the Automatic Telephone Co.

Though the sailing hour for this steamer was "so very early in the morning," our sleuths report that Mr. S. T. Bittling, number one executive in the local City National Bank of New York was bid "bon voyage royally."

Mr. Robert Martin, a news sleuth for United Press, goes down to Manila.

Mr. E. S. Scott should have made the sailing hour he was booked to Manila, but was not about the steamer several hours before sailing.

## Legal Tender Notes Sent To Shanghai

### FOREIGN BANKS TO IGNORE BAN

CHUNGKING, Nov. 10 (Central).—Another shipment of legal tender notes arrived in Shanghai with the permission of Mr. L. H. Lawrence, Commissioner of the Shanghai Customs yesterday, according to a Shanghai message. The amount cannot be ascertained.

Foreign banks in Shanghai have decided to ignore the announcement of bogus regime banning the shipment of legal tender notes to Shanghai, and have consulted the four Chinese Government banks in regard to further shipment.

# NAZI TROOP MOVEMENTS ON HOLLAND AND BELGIAN BORDERS CAUSES ANXIETY

## All Defences Manned

LONDON, Nov. 10 (Reuter's Special War Service)—Reports have been received in London of the presence of German Cavalry near the Dutch frontier and the movement of petrol by rail towards the same district.

The Allied Armies are confident that if Belgium's worst fears are justified, Germany will not repeat her initial success of the last war, telegraphs Reuter's special correspondent on the Western Front. They are ready to give the German Army a hot reception if it appears on the Belgian flank.

## Lord Mayor's "Show" Shorn Of Pageantry

LONDON, Nov. 10 (Reuter)—Lord Mayor's Day—London's most popular civic festival—was celebrated yesterday, shorn of its annual pageantry for the first time in the last hundred years.

Instead of the famous "show" it was an unconventional procession of a dozen cars, with the principal city dignitaries, to the Law Courts, where the new Chief C. J. Sir William Cullen, took his oath of office.

Owing to the black-out, the traditional banquet at the Guild Hall in the evening was replaced by a luncheon on a much more modest scale, both as regards size, company and length of the menu, in the Egyptian Hall at Mansion House.

The quietness of the occasion failed to depress the usual splendour of the surroundings. Contrary to recent custom, no ladies were present, except a sprinkling of the officially entitled.

### DISTINGUISHED COMPANY

The company included many Cabinet members. The Dominions and Indian Ministers sat in honoured positions at the top of the table and Sir John delivered Mr. Chamberlain's speech with remarkable effect.

There is every reason to hope that any German wave will be stopped before it has gathered sufficient momentum to sweep through Belgium, but, if not, it will encounter the fatal line on the Franco-Belgian border.

### FRENCH PREPARED

The French are pushing forward preparations in the northern part of the Maginot Line. Miniature fortresses fit snugly into the crests of the hills equipped with anti-tank guns, some of which point backwards to traps in which any tanks breaking through the first defence are almost bound to founder.

## Hitler Will Not Escape His Fate

LONDON, 10 (Reuter)—The German Freedom Station, referring to the attempt on Herr Hitler's life, declared: "The first bomb against German dictatorship exploded at Munich. Many will follow. Though Hitler has eluded once more the punishment he deserves, he will not escape from his fate."

"There is nobody in Germany who would not help the heroes of Munich to flee, give them shelter and assist them in hiding, so they will be able next time to strike at Hitler himself—Germany's arch enemy."

## Distinguished Audience At Premiere Of Great Film Screened In Aid Of B.W.O.F.

No story more fitting than that of the martyrdom of Nurse Edith Cavell could have been chosen to mark the 21st anniversary of the cessation of hostilities after the last European War, which this year falls at a time when the same belligerents are facing each other in another war which threatens to develop into an even greater holocaust.

A poignant drama based on one of the most stirring chapters of the last war, the story of Nurse Edith Cavell, with Anna Neagle in the leading role, was watched by a distinguished audience, when shown at the Queen's Theatre last night in aid of the British War Organisation Fund.

Among those present were H.E. the Governor and Lady Northcote, H.E. Sir Archibald Clark Kerr, British Ambassador to China, H.E. Admiral Sir Percy and Lady Noble, H.E. Major General A. E. Grassett, G.O.C. and Mrs. Grassett, Sir Atoll and Lady MacGregor, the Hon. Mr. N. L. and Mrs. Smith, Sir Robert Kotelwell, and the Misses Kotelwell, the Hon. Dr. and Mrs. P. S. Selwyn Clark, Brigadier A. B. Thompson, Surgeon-Capt. and Mrs. G. V. Hobbs, Mr. and Mrs. E. M. Raymond, Lt.-Col. and Mrs. J. McDougall, Mr. and Mrs. E. Tong-sen and many other naval, military and civil personalities.

The guests were received by Mrs. G. V. Hobbs, chairman of the committee of the British War Organisation Fund, assisted by Mr. Charles S. Rossetti, General Manager of the Queen's Theatre, and Mr. William K. Way, local manager of R.K.O. Pictures.

### CHINA PREMIERE

The show was organised by the committee of the British War Organisation Fund in Hongkong, of which Mr. G. V. Hobbs is the chairman, in co-operation with the management of the Queen's and Alhambra Theatres, and the local representative of R.K.O. Pictures.

tures who very generously released the picture for China premiere yesterday.

The band of the Royal Scots was in attendance and played selections before the performance. At the Alhambra Theatre, Kowloon, where the same picture was shown in aid of the same fund, the band of the Middlesex Regiment provided the preliminary music.

The total takings at both performances is estimated to be in the region of \$4,000. Exact figures were not available.

A short prologue was read by the Rev. J. E. Sandbach, Chaplain of the English Methodist Church, Wanchai, before the picture was screened.

### A GREAT WOMAN

That the picture says an unforgettable tribute to the courage and self-sacrifice of a great woman, whose noble and patriotic work is wonderfully portrayed by a brilliant actress in her finest role.

The eventual capture and trial of Nurse Cavell by a Prussian military tribunal, and the verdict which dispatched her to martyrdom is portrayed in heart-gripping drama into which is injected suspense and poignancy of an order which makes the story one of exceptionally high entertainment value.

The picture was well selected for the good cause for which it was shown yesterday and the success which attended the charity performance was very well deserved.

## 2 RUGGER MATCHES

TODAY'S GAMES AT HAPPY VALLEY

BY "HOOKER"

There will be two games of Rugby Football on the Club ground at Happy Valley today.

In the first game, which will be refereed by Lt. Frie and which will commence at 3.15 p.m., the Navy "A" XV will meet the Army "A" XV.

The second game at 4.30 p.m. should be of particular interest, as the pick of rugby players now in the Colony will be taking part.

The match will be refereed by Dr. Selby and will be between a team composed of Club and Police players and the United Services.

The Police and Club side has been selected as follows:—R. G. Wall (Police); D. H. Taylor (Police); J. C. Charter (Club); J. Hutchison (Club); D. H. Stewart (Club); B. C. Fay (Police); E. C. Luscombe (Police); A. F. Walkden (Captain) (Club); R. G. Castleton (Club); P. Cullinan (Police); E. W. Stott (Club); L. A. Searle (Police); A. J. G. Taylor (Club); J. Dempsey (Police) and W. B. Richardson (Club).

The side will play in white jerseys.

A very interesting game should be witnessed between the United Services and a combined Club and Police team.

The Services are fielding the same fifteen that beat the Club last week. The combined Club and Police side does not represent the best fifteen these two clubs can field by any means, and it can only be surmised that the Volunteer Camp is the reason for players like Bidwell, Bosanquet, Cessford, Henderson, Salter and Godfrey, not appearing in the selected XV, and the Services again seem to be the favourites.

The fullback berth in both sides is well filled as both Stevens and Wall are capable of bringing their backs into play.

### DECIDING FACTOR

The respective threequarter lines will probably be the deciding factor of the game. For the Club and Police, Taylor and Stewart are excellent wing men but they must have the ball to score and the Services centres, who last week bottled up Harold Bidwell will have a lot to say in this matter, and Richards and Cockrane on the wings are both strong runners.

The men of the law filling the halfback positions although not quite the calibre of Henderson and Carter are a dangerous pair, and Clark and Clark will have a difficult task in holding them.

Forwards have dominated the majority of games held so far this season and Taylor who might be called the King of Lineouts will have to be more carefully watched by the Services and although the Services have been playing some excellent attacking games in the loose, in defence the wing forwards will have to get away from the set scrums more quickly and all the forwards might be well advised to make sure of their man when they are called upon to tackle.

## Prof. Hsu Ti-shan Tells Of Chinese Women's Costumes During The Last 300 Years

That the custom of foot-binding was started by court dancers who had to perform in a very small space and was maintained throughout the Manchu dynasty as a passive expression of patriotism; that the Kinsuo, which is worn by the Japanese, is really old Chinese dress; and that a type of zip-faster was known in China many hundred years ago, were some of the fascinating facts revealed by Professor Hsu Ti-shan in the course of his talk on "Chinese Women's Costumes during the last 300 years," given at the first meeting of the season of the Sino-British Cultural Association, held at the Fung Ping-shan Library of the Hongkong University yesterday.

A large number of people listened with great interest to the talk, which was illustrated with lantern-slides, and also viewed with delight a fine array of pictures depicting the various styles and changes mentioned by Professor Hsu.

Mr. D. J. Sloss, C.B.E., Vice-Chancellor of the University, presided. Mr. Chan Kwan-po, honorary secretary of the Association, read a letter from His Excellency

the Governor apologising for his inability to attend due to another important engagement.

Prof. Hsu said, in part:—

It was under the Manchu yoke that costumes of the Chinese people underwent a great change. On account of the fact that the Chinese possessed a long history of civilization and culture, and naturally were more patriotic than the rest of the subjected peoples, the Manchu emperors in the beginning of the dynasty compelled them to adopt Manchu costumes, as a sign of submission on the one hand, and in order to reduce their racial feeling on the other.

It was after the last great war that Chinese ladies began to follow the styles of European or American movie stars. So originally and creativeness are lost in Chinese fashion. Headdress and toilette remain a very important part in female costumes.

The costumes of Chinese women during the past three hundred years have undergone a great change on account mostly of the contact with foreign civilisation. And from now on Chinese ladies may adopt entirely foreign styles for which I have reasons to regret a deep regret.

I hope a study of the old Chinese costumes may stimulate the interest of our people so that a revival would be possible of a national costume for our ladies.

### SPEAKER THANKED

Professor Hsu was thanked at the conclusion of his talk by the Hon. Mr. M. K. Lo.

Professor L. Forster, who also spoke, said that present-day Chinese ladies' dress seemed to him to be a happy compromise between the East and the West.

## MUNICH BUERGERBRAU CELLAR'S HISTORY: SEAT OF NAZI "PUTSCH"

LONDON, Nov. 10, (Reuter)—Mr. R. H. Crossman, who knows Munich well, described the Buergerbrau Cellar in a talk from Daventry last night.

It is one of the historic monuments of Nazism, he said, and every year, on Nov. 8, Herr Hitler and his men come to celebrate the part they played in the "Putsch" of November, 1923.

It was from this cellar that they started out on a procession that was to be a triumphal one, but which ended when those taking part were fired on by a few German soldiers. The celebrations were in honour of the six Nazis killed on that occasion.

It is not a big cellar like the Hofbrau Haus Cellar. It is situated on one side of a small courtyard and has a somewhat gloomy hall, about 150 feet long, with dark Gothic windows and a gallery.

It was here that the Prime Minister of Bavaria was making his speech, calling on his hearers to take part in the "Putsch" for the restoration of the monarchy when Herr Hitler broke in, jumped on a table, fired a shot and shouted that the building was surrounded by armed men.

### THREATS & VIOLENCE

Herr Hitler then took charge of the meeting and announced his own "Putsch."

He, by threats and violence, induced the Prime Minister and von Ludendorff to agree to his programme and take office under him.

## Dr. Sun Fo Satisfied British Policy Is Unchanged Towards China

LONDON, Nov. 9 (Reuter)—"My conversation with Lord Halifax was very encouraging," said Dr. Sun Fo, when interviewed by Reuter. "I am satisfied that there is no change in the British Government's policy to China."

Dr. Sun Fo said that he only came to London to renew contacts and he hoped to see other members of the Cabinet if their arduous duties of war-time would allow it. He is staying in London for a few days and will then leave for Paris, which will be his headquarters for the present.

He came to Paris from Moscow a month ago via Odessa by ship to Italy.

Dr. Sun Fo expressed the opinion that the Soviet had no idea of entering the war at present, but that the Allies should do everything possible to keep Russia neutral.

Dr. Sun Fo doubted the Soviet's ability to supply Germany with much petrol and iron ore owing to their requirements, but Russia might send Germany food-stuffs and the Allies ought to buy all available surplus of Russian produce.

Questioned as to the possibilities of peace in the Far East, Dr. Sun Fo replied, stressing that he only gave his personal opinion, that if the Liberal elements regained influence in Japan, they might possibly discuss peace on reasonable terms, "but, generally, it would seem that peace in the Far East must depend on the issue of the war in Europe."

## Britain's Magnificent War Effort

LONDON, Nov. 10 (Reuter)—Mr. Neville Chamberlain's speech, which was read by Sir John Simon at the Lord Mayor's luncheon at the Guild Hall referred to the institution of exchange control and stated that it represented a complete revolution, which, though not perfect to begin with, had yet, with the help of the banks and other financial institutions speedily attained an efficiency which other countries had taken years to reach.

"And don't let us overlook the fact that our resources in shipping, exchange, vast though they may be, are not without a limit. We don't know how long the war will last, but must be ready to fight it through to a victorious conclusion."

Mr. Chamberlain said that the one thing that stood out before everything in these first weeks of the war was the essential and fundamental unity of the people. "In our determination to achieve the task we have set before ourselves we have the support of all classes, all parties and all creeds in the nation."

### WIDER UNITY

"We are fortunate, indeed, to be able to claim unity—unity of Empire. In the Dominions and India and throughout our vast Colonial Empire, we see the same appreciation of our cause and the same result to bring it to victory."

"With France we have the most complete and cordial understanding."

"With such a spirit and such supporters as Allies we know we cannot fail and cherish the firm conviction that we shall live to see the foundation-laid of a world in which freedom and humanity will have superseded oppression and the rule of force."

## CATHOLIC NEWS & NOTES

### ST. ALBERT THE GREAT: STAINED GLASS IN WAR TIME

Next Wednesday is the feast of St. Albert the Great who is honoured in Hongkong as the patron of the Dominican House of Studies on Stubbs Road. The title of "the Great," Albertus Magnus, was a popular tribute to a man who was regarded as one of the most wonderful men of genius of his age. He was a Swabian, being born not far from Augsburg, and he lived in the 13th century.

It was after studying at the University of Padua that he entered the Dominican Order, and after many more years of study began a long period of teaching as a professor of theology at Cologne and Paris. Among his pupils was the still more famous Dominican theologian, St. Thomas Aquinas.

It was not merely in his own special subjects, philosophy and theology, that Albert was eminent, for his knowledge extended to every branch of study and he was an authority on physics, geography, astronomy, mineralogy, chemistry, zoology, and physiology. He died in 1278 and was beatified in the 17th century, but it was only in our age that he was canonized and declared a Doctor of the Church.

#### STAINED GLASS

During the last European war many windows of famous stained glass were destroyed, notably those in the cathedrals of Rheims and Dunkirk, and it was only as the war progressed that some of the others were taken out of the churches and removed to safety. This was regarded then as an extraordinary measure of precaution, but with the increased danger from the air it has become a widespread practice in the present war.

From York Minister and other cathedrals in England the windows have already been removed, and in France the stained glass was taken from Chartres, Bourges and other great cathedrals many months before the war was actually declared.

The Sainte-Chapelle in Paris, with its famous "wall of glass" is an altogether different building now that its windows have been removed.

In most cases the spaces from which the glass windows have been removed have been boarded up, for if that were not done it would not be possible to hold any services in the Churches at night.

The lighting restrictions provide a big difficulty even for those churches that have no valuable stained glass, for all have large windows, and it is extremely difficult to screen them during the continual "black out" periods. Probably in the construction of churches in future some regular method of window screening will be embodied as a regular feature.

#### PHOTOGRAPHING

It was, fortunately, before the removal of the great French windows that a French engineer in-

vented a new and most successful method of photographing stained glass windows in their own colours. The inventor of the new system is M. Francois Quivreux, who had perfected his new camera and photographed many of the windows of the great French cathedrals before the war danger reached its height.

The first to be photographed completely were those of Chartres Cathedral, generally regarded as the most beautiful stained glass in the world. The windows were photographed from scaffolds erected at the opposite side of the nave, so as to obtain the proper lighting without any deformation of the figures.

The negatives are very small, 24 by 36 mms. but they can be enlarged to any size, and, as well as being a record of the windows, allow more detailed study of the windows than if the originals were viewed.

#### SCOTS-AUSTRALIAN CATHOLIC

The Caledonian Catholic Association of Australia recently chose as their president for a second year a man who has been conspicuous in many fields. Major J. N. Edmonds. His career in the army begins in 1914 when he enlisted with the 13th Battalion as a private. He was wounded at Gallipoli and was in hospital for a year. When he took up soldiering as a career he proved a brilliant student. In addition to military science he has won fame as a linguist, historian and musician.

He is an authority on several oriental languages as well as a fluent speaker of many European ones, he has written extensively on Scottish history and has done original research on the lives of the Scottish saints and he has composed a considerable amount of sacred music including an entire Mass. He has on at least two occasions directed choirs in the towns in which he was stationed.

His most recent interest is the study of Australian aborigines, and he has published the results of careful personal investigations into their music and general culture as well as into their moral code and tribal customs.

### WATER RETURNS FOR OCTOBER

Situation Somewhat Better

The water return for October have just come to hand, and, as compared with October, 1938, the water situation is somewhat better, but it must be noted that there is an increased population of 800,000.

#### SOME DETAILS

The details are as follows:—On November 1, 1937, the supply of water was 5,182 million gallons, as compared with 3,968 million gallons last year.

The consumption of water last month was 888 million gallons, as compared with 648 million gallons for the same period last year.

#### POPULATION FIGURES

The estimated population for October, 1939, was 1,850,000, as compared with 1,050,000 for October, 1938. The consumption per head per day has been reduced from 21.9 to 18.2 gallons on the Island and from 17.2 to 13.3 gallons on the Mainland. Why the Island uses more water per head is not clear.

### COLONY HEALTH BULLETIN

Sixteen cases of tuberculosis, seven cases of dysentery, four cases of diphtheria and one case of enteric fever were notified to the Health Department on Nov. 9.

## THE "HONGKONG RADIO REVIEW"

"I understand that this Review has three main aims. In the first place, it will serve as an Advance Bulletin for the Hongkong Broadcasting Station on a more ample scale. Secondly, it will reproduce in print the text of the more important speeches and talks after they have been given over the air. Lastly, it will occasionally discuss world events from a candidly objective point of view."

This paragraph, taken from the Governor's message to the new weekly "Hongkong Radio Review," the first issue of which appears today, sums up the aims and content of the journal.

In his "Notes and Comments," the Editor, Mr. E. O'Neill Shaw, a member of the Broadcasting Committee, enlarges on the thesis that propaganda, to be valid, must at all times implement the truth. "If what we hope to publish in this magazine is to be reckoned as propaganda at all," he says, "we hope it will be on this basis that it is evaluated."

The 30-page magazine contains several talks given recently over ZBW and valuable features in the week's programme, a full list of British and foreign broadcasting stations heard in the Colony, with Hongkong times for broadcasts, and a world time conversion chart.

The magazine will sell for 10 cents and the annual subscription is HK\$5.00 per year. Letters and contributions will be considered.

It is being produced by Ye Olde Printerie, Ltd.

## H. K. STOCK EXCHANGE

It is unfortunate, but the fact remains another dull week's trading falls to be recorded. Possibly because they are the only two local stocks that are partially divorced from local party politics. H.K. Banks and Unions have continued steady, in fair demand, and measured by present day standards, have provided a good medium of business. There is no gainsaying purely local counters are due for attention by investors, and it is hoped, will receive the attention their merits warrant. This, however, cannot be attained whilst nervous Capital hesitates between remaining snug in safety deposit boxes, or taking a journey to other places where an untrammelled existence is offered.

COMMODITY MARKET REVIEW

APRIL-JUNE	—	—	—

The market was quiet.

**COTTON:** There was a consistent foreign and domestic trade demand. Sentiment was more favourable on the Government Loan being offered in a liberal way. 'Spot' offering was light, as producers are taking advantage of the Loan. We would remain to be bullish.

**RUBBER:** The market was quiet but steady. There was apparently a good demand at under market prices. The weakness of Sterling, however, continues to be a restraining factor.

**WHEAT:** Prices today declined on a forecast of rains in the South-West. Exports were poor. We would be cautious.

**HIDES:** The market eased in sympathy with the Stock market. The weakness in Sterling is an adverse factor. Tanners stood by pending further developments.

**NEW YORK STOCKS:** Previous close, 150.35; Today's close, 148.75; Change off 1.60.

## SHARE MARKET REVIEW

HONGKONG SHAREBROKERS' ASSOCIATION

Nov. 9, 1939.

The market has been quiet during the week but the undertone has been rather firmer. Some stocks came in for sustained enquiry resulting in advance in prices. H.K. Banks came in for demand and showed improvement following London prices, shares changing hands at \$1350. Union Insurance shares were also wanted with business reported at \$400 and further demand. Trams improved to \$18 and at the close of business today shares are offering at \$16.10 with buyers at \$16. Business has been reported in Cements at \$15 and Providents are wanted at \$4.05 with sales reported at this figure.

The weekly recordings of the volume of business remain pitifully small with little indication of improvement for which one must blame the uncertainty regarding the results of the imposition of income tax.

Gold mining stocks have been more active during the week and a general advance in price levels has been recorded. Owing to profit taking, however, the market is a little easier at the close. Bestgold Consolidated is up 50 cts. to Ps. 10.80. San Maurice closed at 75 cts. after touching 78 cts. United Paracale advanced 3 cts. to 31 cts. Coco Grove improved 3 cts. to 19 cts. Big Wedge gained 3 cts. to 23 cts. and Ipo Goldfields 3 cts. to 15 cts. Bagulo Gold at 16 cts. registered a 2 cts. gain.

The Manila Stock Exchange reports substantial increase in the volume of business transacted day by day.

In yesterday's report of the Budget debate, the annual military contribution of the Colony was, by a typographical error, said to be \$8,000, whereas the proper figure should be \$8,000,000.

## Opium Suppression Pushed

CHUNGKING, Nov. 9 (Central).—With the six year limit for opium suppression throughout the country drawing to a close, strenuous efforts are being taken by the Executive Yuan and other government organs concerned to push the programme to a successful conclusion.

By order of the Yuan, inspection groups have been organised to tour the provinces of Szechwan, Sikang, Yunnan, Kweichow, Shensi, Kansu and Fukien to see that no poppies are planted in the coming planting season.

The inspection group for Szechwan is divided into ten sub-groups, headed by Mr. Huang Chi-lu. The group will shortly proceed from Chungking to Chengtu and other places to start investigations.

Groups for other provinces will also leave for their destinations shortly.

# CHARITY SOCCER TREAT FOR SPECTATORS TOMORROW

## Lee, Gosano In Attack: League Games Today

BY "PILAT"

AWAITED WITH GREAT INTEREST, the annual Poppy Day  
charity football match between the Combined Services and the  
Rest of the Colony will be played on the Club ground tomorrow  
afternoon. Prior to the main match, the Hongkong schools  
and Kowloon schools teams, limited to boys under five feet in  
height, will meet.

The Band of the Royal Scots will be in attendance.

Apart from the fact that a very  
high standard of soccer is always  
maintained in charity matches,  
spectators will be afforded the all  
too rare treat of watching Lee  
Wai-tong and A. V. Gosano play-  
ing in the same team. This fact  
alone should attract a "capacity"  
crowd as these two players are the  
biggest drawing cards in local  
football.

Lee will lead the attack with  
"A. V." and Pang King-cheong as  
his "in-men" and F. Fowler and  
Hau Ching-to filling the two wing  
positions. This forward line is  
very formidable and will give the  
Services' defence much cause for  
worry, strong as the latter appear  
on paper.

It will be noticed that the Co-  
lony's attack comprises, with the  
exception of Hau Ching-to, play-  
ers who, at one time or another,  
have played at centre-forward.

### GOOD HALVES

The selectors could not have  
shown better judgment in choos-  
ing Leung Wing-chiu and Hsu  
King-sing, two of the finest wing-  
halves in the Colony, for the in-  
termediate line. The choice of  
Williamson (a comparatively new  
name to local soccer) may have  
surprised some but he is reputed  
to have played in good class foot-  
ball at home and has so far given  
credible performances for Kow-  
loon.

The Services have also chosen  
a fairly strong eleven that should  
give a good account of themselves.  
I am glad to see that two Junior  
League players have been given a  
chance, namely Lawton, of the 5th  
R.A. and Rides, of the Ordnance.  
The selection of Drake in place  
of Robinson is quite a surprise but  
his brilliant display in the charity  
game on October 10 marked him  
as a custodian of outstanding  
merit.

Three Royal Scots and two men  
from the Navy comprise the Ser-  
vices forwards. Here again the  
selectors have shown splendid  
judgment in choosing the respec-  
tive flanks from the same team,  
thus assuring understanding.

### LEAGUE FIXTURES

In addition to the charity game,  
five League matches are down for  
decision this afternoon. The  
South China "B" Kwong Wah  
game should prove to be the best.  
It would be hard to forecast the  
winner but the Caroline Hill team  
has a better record. Much has been  
expected from Kwong Wah but  
they have disappointed their sup-  
porters.

Another interesting game should  
be that between Middlesex and  
Kowloon. The "Diehards" have  
lost twice and another defeat  
would put them out of the running  
for the championship. Kowloon  
has not yet lost a game. A draw  
appears to be the probable result.

Navy are playing against the  
Club at Causeway Bay and are  
sure to gather full points while  
Eastern should have no difficulty  
in accounting for the Police at  
Boundary Road. Royal Scots  
should further consolidate their  
position in the League table when  
they meet St. Joseph's at Happy  
Valley.

### FORECAST

The following is the Senior Le-  
ague programme with the probable  
winners in capitals:—  
St. Joseph's (2) v. ROYAL  
SCOTS (2).  
NAVY (4) v. Club (1).  
S. CHINA "B" (2) v. Kwong Wah  
(0).

## H.K. BOWLING ALLEYS: E.W.O. LEAGUE

The first game of the Fourth  
Tourney of the EWO League was  
played off on Thursday evening at  
the Hongkong Bowling Alleys when  
the "Aspirants" won comfortably  
from the Black Dog by 405 points.  
The teams and scores are as fol-  
lows:

"Aspirants"—J. S. Landolt, L.  
Gaddi, J. R. Fawcett and P. W.  
Narramore. Scores:—816, 850 and  
712. Total 1978.  
Black Dog—J. Gracie, D. E.  
Norman, C. Connor and O. Aasen.  
Scores:—525, 519 and 520. Total  
1575.

Police (2) v. EASTERN (6).  
Middlesex (0) v. Kowloon (3).

denote scores in the first round  
last season.

# Prospects For Tomorrow's Race Meeting At Macao

(BY "LAST QUARTER")

Entries for the November Race Meeting of the Macao  
Jockey Club, which is being held tomorrow at the Areia  
Preta-Course, have not been very encouraging and indica-  
tions are that fields will be on the small side.

Chief interest will undoubtedly be centered on the Vic-  
tory Handicap for Hongkong Jockey Club ponies "D" Class  
and if the majority of those entered decide to make the  
trip this race should be the most interesting one of the  
afternoon's sport.

### GRAND STAND HANDICAP

The first race is over six furlongs  
and confined to Macao subs.  
Shanghai 4 has been improving  
steadily and is the logical one to  
follow, but he will be seriously  
challenged by Merry Maker and  
Gold Clause. These two ponies  
have a pull in weight and should  
give the old-time favourite a hard  
fight.

I am inclined to slightly favour  
the chances of Merry Maker.  
The remaining positions should go to  
Shanghai 4 and Gold Clause, but  
for those looking for bigger re-  
turns on their investment Rothsay  
Bay should be the one to follow.

### RACE COURSE HANDICAP

This same field have raced time  
and again amongst themselves  
with varying results, but at the  
moment I favour the chances of  
National Triumph (168 lbs.), de-  
spite having to carry top weight.  
Cloudy Star (163 lbs.) is not a  
bad proposition but I have a feel-  
ing he will be kept over for the  
last race of the day. Double Up  
(140 lbs.) should be able to at least  
secure a place, with Eagle not far  
behind.

I think this mile race will be  
fought out between Lucky Eleven  
and King's Parade. Both these  
ponies finished fairly well up in  
the last race in Hongkong, but the  
distance were against them.

Lucky Eleven, I believe, will  
have a slight advantage as this  
chestnut is better suited to the  
mile and can produce a stronger  
finish, though he will probably  
have to be ridden hard all the  
way by the jockey.

Mac's Adventure should secure  
third place, while National Triumph,  
if started here instead of in the  
previous race, can be conceded an  
outside chance.

### CHOI MA HUI HANDICAP

Coeur Bleu (146 lbs.) is my  
choice for this event although the  
public will probably support Fairy  
Auk (160 lbs.).

I believe the latter cannot give  
away as much as a stone in weight,  
and besides contending with  
Coeur Bleu will also have to  
withstand the challenge of Fairy  
Ousel. Of the remaining entries  
Hogmanay is about the best and  
should not be neglected.

### VICTORY HANDICAP

In view of the effortless manner  
in which The Leopard won at the  
Valley last week and the excellent  
time returned, I believe that on his  
present form this grey should be  
good enough to account for the  
others. Double Chance should also  
run well and Jack O'Lantern is  
another one to watch, as both  
these ponies were not far behind  
the leaders at the Valley.

Diogenes is gradually approach-  
ing the old racing form and is  
worth while considering for a big  
dividend. National Anthem at  
only 140 lbs. looks rather tempting  
and is not outclassed here as he  
had a fairly good record during  
his first year of racing.

### TURF HANDICAP (SECOND SECTION)

I think Cloudy Star has an ex-  
cellent chance here, with Iron  
Knight and The Spirit of St. Louis  
well up at the finish. Labour Day,  
if he has recovered from his recent  
stiffness, should be a good outsider.
